### TOUR ATTRACTIONS

#### DAY 1

- Lawachara rain forest
- Manipuri - Khasia Community
- Tea gardens
- Madhabpur lake
- Pineapple, Lemon & Rubber Garden

#### DAY Plan (Wonders of Sreemangal)

Early morning our respective guide will pick you up from the hotel or airport and start driving towards Sreemangal. We will reach approximately at 10.00 am at **Lawachara rain forest** [Lawachara National Park, located in the Sreemangal area of northeastern Bangladesh, is a remarkable biodiversity hotspot. Covering approximately 1,250 hectares, the park is a semi-evergreen forest that provides a habitat for a wide variety of flora and fauna. It is home to over 460 species of plants, including towering trees, shrubs, and an array of exotic flowers. The park is renowned for its rich wildlife, hosting around 246 species of birds, 20 species of mammals, and numerous reptiles and amphibians.] We will track there for few hours and we will visit the **Tribal village** (manipuri and khasia community) we will know their lifestyle.

After this we will have lunch on ay well known restaurant for local cuisine. Then we will drive for **Madhabpur Lake**. On the way we will see the beauty of tea garden which is so beautiful, then we will see **rubber plantings** and also witness the traditional way of cultivating **pineapples and lemons**.

In the afternoon we will arrive to our next destination which is **Madhabpur Lake** which exists from the British colonial period. The raw beauty of this place can catch any traveler to stop and feel the beauty. Than we will back to your hotel or eco resort.

END OF DAY 01

---

## DAY 2

- Ratargul Swamp Forest
- Lalakhali Cruise

### DAY Plan (Nature of Sylhet)

Early in the morning we will head for the only swamp forest of the country “**ratargul**” located in **Sylhet** where you will get a mesmerizing boat ride through the deep green forest. **Ratargul** is often referred to as the “**Amazon of Bangladesh.**” The forest is submerged underwater during the monsoon season, creating a magical landscape of half-submerged trees and tranquil waterways.

At the middle of the day we will have lunch and drive to **Lalakhali** which is renowned for its mesmerizing natural beauty and crystal-clear, turquoise-blue waters. The specialty of **Lalakhali** lies in its vibrant, pristine waters, which change color based on the depth and sunlight, creating a stunning visual spectacle. It will be a boat joy ride.

With this we will complete the journey and head back to Dhaka which will take approximately 5/6 hours. Overnight stay in Dhaka.
